

ADDITIONAL BG 2005 OBJECTIVES

Goal 2: PERFORMANCE STANDARDS

Objective 5: Using the ADE web-based *2004 Draft Assessment Resource Chart**, the local director and teacher(s) of [number] district CTE program(s) will research, evaluate, and use the national assessment test specific to their program. The ADE will provide the assessment component for the employability competencies.

Measurable Outcome 5: One assessment test will be selected for each program and field tested on students by the end of the 2005-2006 school year. Employability competencies will be part of the end-of-program assessment.

Evaluation Method 5: Sample program and employability assessment tests and student test results.

*The *2004 Draft Assessment Resource Chart* is at <http://www.ade.az.gov/cte/WhatsNew/>, (then) go to the bottom of the page under “Accountability Program Improvement Information” and click: *2004 Draft Assessment Resource Chart – Excel*.

Goal 4: ALLIED HEALTH and/or BMAS PROGRAM IMPROVEMENT

Objective 5: To collaborate statewide Allied Health and/or BMAS program implementation and improvement, eligible teacher(s) will participate in a project directed by the ADE program state supervisor.

Measurable Outcome 5:

Develop, pilot, and submit to the ADE an end-of-program, *nationally endorsed* student assessment.

Evaluation Method 5:

Assessment instrument(s) and student assessment results.

Goal 8: PROFESSIONAL DEVELOPMENT

Objective 4: The local director will start a teacher preparation program to vocationally certify individuals at an industry-level. This initiative will include recruitment of individuals with business and industry experience.

Measurable Outcome 4: Industry-certified CTE teachers.

Evaluation Method 4: Teacher’s industry certification credentials; rigorous industry relevant curriculum, instruction and assessments; and improved evidenced-based student outcomes that include student industry assessment scores, graduation, and related placement.
